GROWING TOGETHER IN FAITH!

In February, the youth Sunday School focused on koinonia, the Greek word for community and partnership. Through group activities, our youth learned more about one another and grew stronger together in faith. Middle schoolers played games to find common interests and served through Kids on Mission and other outreach opportunities, while high schoolers built a Little Free Library for our church campus and learned basic car maintenance during Passport to Adulthood.

The youth also made birthday cards for Broadway children to be delivered in 2026, joined the Stained Glass class to ask Pastor Kevin our burning questions, and celebrated friendship at our Palentines night at Malibu Jacks on February 15. It was a month full of fellowship, service, and fun.

Theme: Here Comes the Healer

The Lenten season is marked by the colors purple, symbolizing repentance and preparation. The season lasts 40 days (excluding Sundays) from Ash Wednesday to Holy Saturday, inviting reflection, prayer, and preparation for the Resurrection of Christ!

Our Lenten decor here at BBC is meant to inspire and challenge us along our journey. It includes our yearly presentation of 8 different crosses in the sanctuary windows. This year, we are bringing back the purple wall and pulpit banners painted by Claudia Wells a decade ago. In addition, Connie Rogers has created a fresh presentation around the sanctuary cross and incorporated purple ribbons and wreaths outside the sanctuary as well as sticks and stones.

Holy Week Dates: Palm Sunday: March 29, Maundy Thursday: April 2, Good Friday: April 3, Resurrection Sunday: April 5

Music

The children's choir sang an anthem entitled, Forty Days of Lent, on the first Sunday of Lent. We were inspired by their musical offering and look forward to their participation again on Palm Sunday. The Chancel Ringers will be playing this month for us in worship as well. In addition, all the Chancel Choir anthems for worship will enhance our theme as we reflect on the season of Lent and the healing art of forgiveness and God's mercy and grace.

LENTEN DEVOTION BOOKS

We have Lenten Devotion books available on our Church facebook page as well as in hard copies in the Narthex, Atrium and Friendship Hall. Thank you to so many people who submitted their reflections on the different ways God heals.

WEDNESDAY NIGHT DINNER SIGN-UPS

We have a few more weeks open in the spring for folks to sign up to provide dinner. If you want to take a week or if you want to help out, please contact Susan at susanr@broadwaybaptist.org

CHILDREN & FAMILY MINISTRY

Kids on a Mission

Session 2 - Sunday, March 22nd, following worship. We will end at 2 pm.

All children 4 years through 5th grade are invited to come and explore different places and cultures, learn about people who are putting their faith into action and discover how they can use their own gifts to love their neighbors. We will be using the Pathlight curriculum put out by CBF that highlights missionaries serving nationally and globally.

During our February Kids on Mission session, we had fun learning about the laundry ministry at King's Cross church in Tennessee called, "Love by the Load." The children decorated money jars to take home and collect spare change that we will give to one of our partner ministries at Broadway to share God's love.

This month, in our March session, we will travel to the country of Austria to learn about CBF field personnel, Tina Boyles Bailey, and how she uses her creativity and love for the arts to help refugees and asylum seekers.

YOUTH MINISTRY

February is always a blink-and-you-miss-it style month, and it was no exception for our youth who had a jam-packed schedule of activities and events. We hope the congregation has noticed our mission to show up and represent in our Sunday services- not just by sitting on the front pews, but speaking at the pulpit, sending art for the worship folder, leading with AV in the livestream and sound booth, leading the younger children in choir, and in beginning of service processions. We are empowering our youth as future leaders in our church and helping them to see how they are important members of our congregation.

As we continue to flourish and grow during this interim season as we look for our next youth minister, we are so excited to bring new adult faces into the program through Sunday School shadowing, teaching, and events such as the Passport to Adulthood program or our upcoming “Church Padawan” program to help youth shadow and try out supportive roles in our church.

We will be looking this month to understand our spiritual gifts and strengths that we can use to serve our church community and we encourage the adults in our congregation to also see where their gifts can be used to help support and grow alongside our youth. If you would like to be a part of our growing youth program in any way, please contact Sarah Sparks for more information (sarahwsparks@gmail.com).

We hope to serve everyone at our upcoming HeBrews coffee shop fundraiser alongside the church-wide yard sale Friday, March 6 & Saturday, March 7!

HUG A TREE DAY!

"Only God can make a tree"… but would you like to plant one?

Whether at church or in your own yard, here's your chance to put down roots and grow something beautiful!

Join the Grounds Committee for our very first Hug a Tree Day on April 18 from 9:00–11:00 a.m. Together we will:

*Plant 10 saplings on the church grounds
(sweetbay magnolia, bur oak, and yellow buckeye)

*Give away 65 additional saplings for you to take home and plant in your own yard!

Have you visited the Prayer Garden lately? This special space is filled with rocks representing prayers shared by members of our church family. During Hug a Tree Day, you'll have the opportunity to paint a prayer rock and take a peaceful stroll to the Garden to place it wherever you wish, adding your prayer to this meaningful path of faith.

And for those who love working outdoors, we'll also be:
*Weeding
*Trimming
*Raking
*Sprucing up the grounds for spring

There's something for everyone, whether you want to dig in the dirt, brighten the Prayer Garden, or simply enjoy fellowship in God's creation.

Come for a little while or stay the whole time. Bring gloves, a friend, and your love of nature. Let's grow together!

Pickleball Is Back and Better Than Ever!

If you haven't stopped by the gym lately, now's the time! We've added brand-new pickleball nets, and they look fantastic. The game play is smoother than ever, and we're excited about the growing energy around this fun and fast-paced sport.

Even more good news, we're exploring plans to have dedicated pickleball lines painted on the gym floor in the near future. That means clearer boundaries, better play, and an even more welcoming setup for everyone who joins us.

Every Tuesday Night
6:30 – 8:30 PM
All skill levels welcome — beginners to seasoned players!

Hiking – Let's Hit the Trails Again!

It's been a while since we've ventured out together, but your Recreation Team is ready to get back into the woods! We're currently eyeing some April dates and are just waiting for the trails to firm up and for spring to fully bloom. One location under consideration is Karst Climb Trail at The Parklands of Floyds Fork, a beautiful trail known for its wooded paths, rolling terrain, and scenic views. More details coming soon! Stay tuned for dates, meeting times, and difficulty levels. Dust off those hiking boots and get ready for fresh air and fellowship!

Spring Golf Outing – Save the Date!

Sunday, April 26

Our annual Spring Golf Outing is returning! Location, tee times, and all additional details will be announced soon, but for now, mark your calendars. Whether you're a serious golfer or just in it for the fellowship (and maybe a good mulligan or two!), this is always a fantastic day of fun, laughter, and friendly competition. More information coming soon!

A Letter from Pastor Kevin

Beloved Broadway,

Grace and Peace to you this Lenten Season. As we trod the road to Easter, we are reflecting on what healing means to us, what is hurting us, and opening our hearts to the arrival of our Great Physician and Good Doctor, Jesus Christ of Nazareth. If you have not had a chance to pick up a devotional guide written by some of our own church family and organized by Rev. Susan Reed, please do so. This document will be a blessing to you on this purple path of Lent.

While not very Lent-y, I would like to ask you to mark your calendar for March 22. We are finishing up our website renovation, and our old photo archive of 200 some-odd pictures is woefully out-of-date. On March 22, we are going to have a congregational-wide photo day with the photographer from our website designer. Devin Harris-Davis and her assistant will be all over the building taking photos and video which we will be able to use for years to come. After worship that Sunday, we will also try to get a congregation-wide picture. So, please mark your calendars for March 22, so our website can reflect the warmth, welcome, and joy that we share in this place we all hold so dear.

May the journey of Lent lead you to the Joy of Easter- Pastor Kevin
